 - "Narrators matching 'Tim Curry'"
 - "Tags matching 'Science Fiction'"
 - **Search Results Page (When user searches):**
 - Tabs: "All Results", "Books", "Authors", "Narrators", "Genres"
 - Grid of results
 - Sort/filter options
 - Pagination or infinite scroll
-

Page 21: Advanced Search / Filters Page

Features Included:

- **Multi-Field Search Form:**
 - Title search field
 - Author name field
 - Narrator name field
 - ISBN field (if applicable)
 - **Filter Sections (matching Library Filters):**
 - Genre multi-select
 - Duration range slider
 - Language select
 - Content type (Unabridged, Abridged, AI-Narrated, etc.)
 - Narrator filter (searchable)
 - Release date range
 - Rating range
 - Price range (slider: \$0-\$50)
 - **Sort Options:**
 - Relevance, Newest, Highest Rated, Most Popular, Price (Low-High)
 - **Search Button (Bottom):**
 - "Apply Filters & Search"
-

Page 22: Search Results Page

Features Included:

- **Results Header:**
 - "Found 234 results for 'Dune'"
 - "Refine Search" link (back to advanced search)
 - Sort dropdown
 - View toggle (grid vs. list)
 - **Book Grid (2-column):**
 - Book covers + titles + authors + ratings
 - Pagination or infinite scroll
 - Load more button at bottom
 - **No Results State:**
 - Illustration
 - "No books found"
 - Suggestions for refining search
 - Browse categories link
-

Page 23: Author / Narrator Detail Page

Features Included:

- **Profile Header:**
 - Author/Narrator name + photo
 - Bio/description
 - Follow button (toggle state)
 - Share button
- **Statistics:**
 - Number of books/narrations
 - Average rating
 - Most popular book
- **Books Section:**
 - List of all books by author/narrated by narrator
 - Sort options
 - Grid layout
- **Related:**

- Similar authors/narrators
 - Readers who liked this author also liked...
-

SECTION 6: SOCIAL & COMMUNITY (7 Pages)

Page 24: **Social / Community Hub**

Features Included:

- **Header:**
 - "Community" or "Social" title
 - Notification bell icon
 - **Tabs (Horizontal Scroll):**
 - "For You" (default, personalized feed)
 - "Book Clubs"
 - "Following" (people you follow)
 - "Trending"
 - **"For You" Feed:**
 - Posts from users you follow
 - Book club discussions
 - Shared clips/highlights
 - Reading challenges your friends joined
 - Book reviews from your network
 - Each post card shows:
 - User avatar + name + timestamp
 - Post content (text or shared clip)
 - Book title (if relevant)
 - Like count + comment count + share button
 - Tap to expand full post
 - **Create Post Button (Floating Action Button):**
 - Tap to create new post modal
-

Page 25: **Book Clubs Page**

Features Included:

- **Header:**
 - "Book Clubs" title
 - Filter (All, Joined, My Clubs, Recommended)
 - Sort (Active, Newest, Most Members)
 - **Book Club Cards:**
 - Club name + icon
 - Current book being discussed
 - Member count (avatar group)
 - Next discussion date
 - Description (1 line)
 - "Join" or "View" button
 - Tap to club detail page
 - **Create Club Button:**
 - Floating action button
 - Tap to create new club modal
 - **Book Club Detail Page:**
 - Club name + cover image + description
 - "Join Club" button (if not member)
 - "Leave Club" button (if member)
 - Members section (list of avatars + names)
 - Current book being discussed with cover, synopsis
 - Discussion/Chat section:
 - Messages from members (threaded conversation)
 - Post new message input
 - Reactions to messages (likes, emoji reactions)
 - Schedule section:
 - Next discussion session date + time
 - Past discussion archive
 - "Join Live Discussion" button (if happening now)
-

Page 26: Live Discussion / Story Circle Page

Features Included:

- **Live Event Header:**
 - "Live Discussion - The Six of Crows"
 - "Hosted by: [Author Name]"
 - Live indicator badge (red pulsing)

- Participant count ("2.3K listening")
 - Share this event button

 - "What happens after free trial?"
-

Page 32: **Payment Method / Billing Details Page**

Features Included:

- **Header:**
 - "Payment Method" title
 - Edit button
 - **Current Payment Method:**
 - Card type (Visa, Mastercard, American Express)
 - Card preview (last 4 digits)
 - Expiry date
 - "Edit" button (change card)
 - "Delete" button (remove, if backup exists)
 - **Add Payment Method:**
 - "Add New Payment Method" button (if no method or adding backup)
 - Payment method options:
 - Credit/Debit Card
 - Apple Pay
 - Google Pay
 - PayPal
 - Bank Account (if region-supported)
 - **Billing Address (If needed):**
 - Country selector
 - Address fields
 - Save button
 - **Billing History Link:**
 - "View Billing History" (navigates to Page 33)
-

Page 33: **Billing History / Invoice Page**

Features Included:

- **Header:**
 - "Billing History" title
 - Download all invoices button
 - **Invoice List:**
 - Chronological list of charges
 - Each invoice shows:
 - Date
 - Plan name
 - Amount charged
 - Status (Paid, Pending, Failed)
 - Download invoice button (PDF)
 - View details button
 - **Subscription Details Section:**
 - Renewal date
 - Next charge amount
 - Auto-renewal toggle (on/off)
 - Cancel subscription button (red, prominent)
-

Page 34: **Promotional Code / Gift Code Page**

Features Included:

- **Header:**
 - "Redeem a Code" or "Gift Codes" title
- **Code Input Section:**
 - Text field: "Enter a gift or promotional code"
 - "Redeem" button
 - Error state: "Invalid code" (if code incorrect)
 - Success state: "Code redeemed! 1 month of Unlimited added to your account"
- **Gift Code Display (If user has gift codes to share):**
 - Your gift codes section
 - Each code card shows:
 - Code (formatted: XXXX-XXXX-XXXX)

- Plan it unlocks
 - Expiry date
 - "Copy" button
 - "Share" button
 - "Send via Email" button
 - "Revoke" button
- **Generate Gift Code Button:**
 - "Create Gift Code" (if feature available for premium users)
 - Tap to modal:
 - Select plan to gift
 - Select duration (1 month, 3 months, etc.)
 - Generate button → displays shareable code

Page 35: Free Trial Confirmation Page

Features Included:

- **Header:**
 - "Confirm Free Trial" title
- **Plan Summary:**
 - Plan name + price (shows as free)
 - "Free for 7 days, then \$14.99/month"
 - What's included checklist
- **Confirmation Details:**
 - Billing starts on [Date]
 - Auto-renewal toggle (with explanation)
 - Cancel anytime text
 - T&C + Privacy acceptance checkbox
- **Buttons:**
 - "Start Free Trial" (primary)
 - "Not Now" or "Back" (secondary)

Page 36: Manage Subscription Page

Features Included:

- **Current Subscription Card:**

- Plan name + renewal date
 - Amount charged
 - "Next Billing Date: January 15, 2026"
 - **Quick Actions:**
 - "Change Plan" button → Plan selection page
 - "Pause Subscription" button → Pause modal
 - "Cancel Subscription" button → Cancel confirmation modal
 - **Pause Subscription Modal:**
 - Reason for pause (dropdown)
 - "Pause for 1 month / 3 months" option
 - "I'll be back" message
 - Confirm button
 - **Cancel Subscription Modal:**
 - "Are you sure?" headline
 - Offer: "Switch to Unlimited instead?" with price comparison
 - Reason for cancellation (dropdown)
 - Offer survey: "What could we have done better?"
 - "Confirm Cancellation" button (red)
 - "Keep My Subscription" button (secondary)
 - **Billing Management Section:**
 - Link to Payment Method (Page 32)
 - Link to Billing History (Page 33)
 - Download app guide link
-

Page 37: Referral Rewards Program Page

Features Included:

- **Program Header:**
 - "Refer & Earn" title
 - Your referral link display (with copy button)
- **Referral Statistics:**
 - "Friends Referred: 3"
 - "Credits Earned: 45 credits"
 - "Redemptions: 2"
- **How It Works Section:**

- "Share your link → Friend signs up → You earn 1 month free"
 - Step-by-step explanation
 - **Share Options:**
 - "Invite via Email" button
 - "Copy Link" button
 - "Share on Social" (Instagram, Twitter, WhatsApp, etc.)
 - QR code display (scannable)
 - **Referral History:**
 - List of referred friends
 - Name, date referred, reward status
 - "Pending," "Completed," or "Expired"
-

SECTION 8: ACCESSIBILITY & SETTINGS (8 Pages)

Page 38: Accessibility Settings Page

Features Included:

- **Header:**
 - "Accessibility" title
- **Visual Settings Section:**
 - **Dyslexia Font Toggle:**
 - Toggle on/off
 - Sample text showing OpenDyslexic font
 - Link to accessibility info
 - **High Contrast Mode Toggle:**
 - Increases contrast for all UI elements
 - Preview of high contrast version
 - Toggle on/off
 - **Text Size Adjuster:**
 - Slider: Small → Large
 - Preview text scales in real-time
 - Save setting

- **Color Blind Filters:**
 - Dropdown: None, Protanopia, Deuteranopia, Tritanopia
 - Explains each filter
 - Toggle on/off
 - **Theme Accessibility:**
 - "Reduce Motion" toggle (disables animations)
 - "Increase Brightness" toggle
 - **Audio Settings Section:**
 - **Screen Reader Optimization:**
 - Toggle on/off
 - "Works with VoiceOver (iOS) and TalkBack (Android)"
 - Test button (reads sample text)
 - **Captions/Transcripts:**
 - "Enable Closed Captions" toggle
 - "Always show transcripts" toggle
 - Transcript text size slider
 - **Audio Description:**
 - "Enable audio descriptions for visual content"
 - Toggle on/off
 - **Keyboard Navigation:**
 - "Enable keyboard navigation" toggle
 - Explains how to navigate with keyboard
 - Shortcut cheat sheet button
 - **Learning Support:**
 - **Slow Speech Option:**
 - Dropdown: Normal (1.0x), Slow (0.75x), Very Slow (0.5x)
 - Preview narration at selected speed
 - **Links at Bottom:**
 - "Accessibility Guide" (external link to help docs)
 - "Report Accessibility Issue" (feedback form)
-

Features Included:

- **Header:**
 - "Display & Theme" title
 - **Theme Selection:**
 - Radio buttons:
 - Light mode (preview shows light UI)
 - Dark mode (preview shows dark UI)
 - Auto (follows system settings)
 - Visual preview of current selection
 - **Color Scheme (Beyond Dark/Light):**
 - Dropdown with presets: Default, Ocean Blue, Forest Green, Sunset Orange, Lavender
 - Color picker for custom theme (tap to open color picker)
 - Preview screen updates with chosen colors
 - **Typography Settings:**

 - Line spacing: Compact, Normal, Relaxed
 - Letter spacing: Tight, Normal, Loose
 - Preview text updates
 - **UI Scale:**
 - Slider: Compact → Spacious
 - Affects button sizes, spacing, text size
-

Page 40: Notification Settings Page

Features Included:

- **Header:**
 - "Notifications" title
- **Push Notifications Section:**
 - **New Releases from Authors I Follow:**
 - Toggle on/off
 - Frequency dropdown (Immediately, Daily Digest, Weekly Digest, Off)
 - **Book Club Invitations:**

- Toggle on/off
 - **Live Discussion Reminders:**
 - Toggle on/off
 - "Notify me [15 minutes, 1 hour, 1 day] before event starts"
 - **Streak Reminders:**
 - Toggle on/off
 - Time of day selector (if enabled)
 - "Remind me to listen to maintain my streak"
 - **Book Recommendations:**
 - Toggle on/off
 - Frequency (Daily, Weekly, Monthly)
 - **Social Activity:**
 - Toggle on/off
 - "Notify me when [friends like my reviews, friends finish books, etc.]"
 - **Promotional / Marketing Emails:**
 - Toggle on/off
 - "Receive special offers and new feature announcements"
 - **Billing Notifications:**
 - Toggle on/off (usually required)
 - "Notify me about upcoming charges, failed payments"
 - **Email Preferences:**
 - Checkbox: "Also send these notifications to email"
 - Email address display
 - **Notification Sound & Vibration:**
 - Sound toggle on/off
 - Sound selection dropdown
 - Vibration toggle on/off
 - Test button (plays sample notification)
-

Page 41: Privacy & Data Settings Page

Features Included:

- **Header:**
 - "Privacy & Data" title
- **Data Sharing Section:**
 - **Share Listening Activity:**
 - Dropdown: Private (only me), Friends, Public
 - Explanation of each level
 - **Share Ratings & Reviews:**
 - Toggle on/off
 - "Others can see my reviews"
 - **Share Reading Progress:**
 - Toggle on/off
 - "Others can see which books I'm reading"
- **Advertising & Personalization:**
 - **Personalized Ads:**
 - Toggle on/off
 - "Allow personalized advertising based on listening history"
 - **Interest-Based Recommendations:**
 - Toggle on/off
 - "Show me recommendations based on my listening"
- **Data Access & Download:**
 - **Export My Data:**
 - Button: "Download My Data"
 - Format options (CSV, JSON, PDF)
 - Includes: Library, bookmarks, notes, activity, preferences
 - Downloadable as ZIP file
 - **Data Deletion Options:**
 - Button: "Request Data Deletion" (for GDPR/privacy compliance)
 - Confirmation required
 - Explains what gets deleted
- **Third-Party Integration:**
 - **Connected Apps:**

- List of apps with permissions (Spotify, Goodreads, Apple Books)
 - "Disconnect" button for each
 - "Connect New App" button
 - **Privacy Policy & T&C Links:**
 - "Privacy Policy" (external link)
 - "Terms of Service" (external link)
 - "Cookie Preferences" (external link)
-

Page 42: App Settings & Preferences Page

Features Included:

- **Header:**
 - "App Settings" title
- **App Behavior Section:**
 - **Offline Listening Defaults:**
 - "Auto-download next book in series" toggle
 - "Auto-download during WiFi only" toggle
 - Max storage for downloads slider (500MB - 5GB)
 - **Autoplay Settings:**
 - "Continue with next book in queue" toggle
 - "Ask before autoplay" radio button
 - Choose default queue order (Series → Personal Library → Recommendations)
 - **Streaming Quality (Default):**
 - Dropdown: Low (128kbps), Normal (192kbps), High (320kbps), Lossless (FLAC)
 - Warning if high quality uses more data
 - **Resume Behavior:**
 - "Resume at exact second" toggle
 - "Resume position timeout" slider (auto-reset if not opened in X days)
 - **Data Saver Mode:**
 - Toggle on/off
 - "Reduces streaming quality and disables automatic sync"
 - **Auto-Update Settings:**

- Dropdown: Update Immediately, Ask When Available, WiFi Only

- **App Information:**

- App version number
- Build number
- Changelog button
- Check for updates button

- **Device Info:**

- OS version
- Device model
- Storage space available
- Clear cache button ("Free up ☒ MB of space")

Page 43: Language & Region Settings Page

Features Included:

- **Header:**

- "Language & Region" title

- **App Language:**

- Dropdown showing all supported languages
- Currently selected highlighted
- Selection changes app UI language immediately
- Languages: English, Hindi, Tamil, Telugu, Spanish, French, German, Portuguese, etc.

- **Content Language:**

- Multi-select checkboxes
- "Show audiobooks in these languages"
- Allows selecting primary + secondary languages
- Affects catalog/recommendations

- **Region/Country:**

- Dropdown selector
- "Used for pricing, content availability, payment methods"
- Changing region might change prices/plans

- **Currency:**

- Dropdown (auto-set by region, can override)
- Shows: USD, EUR, GBP, INR, etc.

- **Narration Accent Preference:**

- Radio buttons: American English, British English, Indian English, Australian English, etc.
- Used for recommendations/voice selection

- **Text Display:**

- "Romanization Option" (if applicable for non-Latin scripts)
 - Toggle: Show Hindi/Tamil text as Romanized (IAST)
-

SECTION 9: KIDS & FAMILY (4 Pages)

Page 44: **Family Account / Family Sharing Setup**

Features Included:

- **Header:**

- "Family Sharing" title

- **Your Family Members:**

- List of added family members (up to 4-6)
- Each member shows:
 - Avatar/name
 - Age (or DOB)
 - Role (Adult/Parent, Child/Kid)
 - Email or phone
 - "Remove from Family" button
 - "Change Parental Controls" button

- **Add New Family Member:**

- Button: "Add Family Member"
- Tap to modal:
 - Input name
 - Input email or phone
 - Select role (Adult, Child 7-12, Child 13-17)
 - Send invitation button (email invite sent)
 - Option to generate invite link

- **Family Sharing Status:**

- "Shared Library" toggle (on/off)
- If on: "All family members can access books purchased by anyone"
- If off: "Each member maintains private library"

- **Family Sharing Details:**
 - "Billing managed by: [Primary account holder name]"
 - Cost: "\$19.99/month for up to 6 people"
 - Savings badge: "Save 30% vs. individual subscriptions"
 - **Manage Billing:**
 - "Change payment method" link
 - "View family billing" link
-

Page 45: Kids Mode / Parental Controls Page

Features Included:

- **Header:**
 - "Kids Mode & Parental Controls" title
- **Kids Mode Toggle:**
 - Large toggle: Enable/Disable Kids Mode
 - When on: Red warning indicator
 - When enabled: 4-digit PIN setup required (to prevent kids from disabling)
- **PIN Setup / Change:**
 - Current PIN status
 - "Change PIN" button (tap to input current PIN, then new PIN)
- **Age-Based Content Filtering:**
 - Radio buttons:
 - Kids (3-5 years)
 - Kids (6-8 years)
 - Kids (9-11 years)
 - Teens (12-14 years)
 - Teens (15-17 years)
 - Auto-filters audiobooks by content rating
 - Example: "Age 6-8 will only see books rated for that age"
- **Curated Kids Library:**
 - Link: "Browse Kids Library"
 - Pre-selected safe, age-appropriate books
 - Organized by age range
- **Screen Time Limits:**

- Toggle: "Enforce screen time limits"
 - When on:
 - Daily limit slider (15 min - 2 hours)
 - Set allowed listening times (e.g., 3 PM - 8 PM)
 - "Break reminders" (every 30 min: "Take a 5 min break")
 - **Content Restrictions:**
 - Checkboxes:
 - Block explicit content
 - Block social features (messaging, comments)
 - Block shopping/in-app purchases
 - Block access to certain categories (e.g., "Restrict adult fiction")
 - **Activity Monitoring:**
 - "View [Child Name]'s Activity"
 - Shows:
 - Books listened to today
 - Total listening time today
 - Listening streak
 - Recommended books for age
 - Reading goals progress
-

Page 46: Kids Content Library / Curated Kids Browse

Features Included:

- **Header:**
 - "Kids Audiobooks" title
 - Age filter tabs: "Ages 3-5", "Ages 6-8", "Ages 9-11", "Ages 12-14", "Ages 15-17"

 - "Best for This Age"
 - "Award-Winning Kids Books"
 - "Series for Kids"
 - "Educational Audiobooks"
 - "Fairy Tales & Classics"
 - "Adventure Stories"
 - "Funny & Silly"
- **Book Cards:**
 - Cover + title + author + age recommendation
 - Parent rating (stars from other parents)

- Duration
 - "Add to [Child Name]'s Library" button
 - **Safe Listening Indicators:**
 - Green check mark on content that's safe
 - Content rating badge
-

Page 47: Child Profile / Activity Dashboard

Features Included:

- **Header:**
 - "[Child Name]'s Activity" title
 - Edit profile button
 - **Quick Stats:**
 - Listening time today
 - Listening streak
 - Books finished this month
 - **Today's Activity:**
 - Timeline showing what they listened to
 - Books they started/resumed
 - Time spent on each book
 - Notifications for usage milestones
 - **Listening Goals (Set by Parent):**
 - "Read 1 book this month"
 - "Listen 30 minutes per week"
 - Progress towards goals (with celebration when completed)
 - **Recommended for Them:**
 - Books suggested based on age & listening history
 - "Start Listening" button for each
 - **Insights:**
 - Favorite genre
 - Most-listened narrator
 - Preferred listening time of day
-

SECTION 10: USER PROFILE & ACCOUNT (5 Pages)

Page 48: User Profile / Account Home Page

Features Included:

- **Header:**
 - "Account" title
- **Profile Card (Top):**
 - Profile picture (tap to change)
 - User name (tap to edit)
 - Email address
 - Member since: [Date]
 - Edit Profile button
- **Quick Status Cards (Horizontal Scroll):**
 - Current subscription status ("Premium Member, Renews Jan 15")
 - Books in library ("47 books")
 - Current streak ("5-day listening streak")
 - Reading goal progress ("23 of 50 books in 2025")
- **Menu Sections:**
 - **My Account**
 - Edit Profile (Page 49)
 - My Payment Methods (Page 32)
 - Billing History (Page 33)
 - **Preferences**
 - Display & Theme (Page 39)
 - Notifications (Page 40)
 - Privacy & Data (Page 41)
 - App Settings (Page 42)
 - Language & Region (Page 43)
 - Accessibility (Page 38)
 - **Family & Kids**
 - Family Sharing (Page 44)

- Kids Mode & Controls (Page 45)
 - **Help & Support**
 - Help & FAQ
 - Contact Support
 - Report an Issue
 - Rate App
 - **Logout**
 - Log Out button (bottom, red)
 - "Delete Account" button (very bottom, if offered)
-

Page 49: Edit Profile Page

Features Included:

- **Header:**
 - "Edit Profile" title
 - Save button (top-right)
- **Profile Picture:**
 - Current picture (circular, large)
 - "Change Photo" button
 - Options: Take Photo, Choose from Library, Remove Photo
- **Name Fields:**
 - First Name text input
 - Last Name text input
- **Bio (Optional):**
 - Text field (max 160 chars)
 - Placeholder: "Tell us about your reading interests..."
 - Char count (50/160)
- **Public Profile:**
 - Toggle: "Make profile public"
 - When on: Other users can view your profile, reviews, reading activity
 - When off: Only friends can see profile (or only you)
- **Social Verification (Optional):**
 - Connect social accounts (Twitter, Instagram, Goodreads)

- Buttons: "Connect [Platform]"
 - Shows connected accounts with checkmarks
 - **Email Address:**
 - Display only (non-editable)
 - "Change email" link (for security reasons)
 - **Phone Number (Optional):**
 - Input field
 - Used for recovery + notifications
 - Verify button (sends code to phone)
 - **Date of Birth:**
 - Month / Day / Year selectors (for age-gating)
 - **Gender (Optional):**
 - Dropdown: Prefer not to say, Male, Female, Other
 - **Save Changes Button:**
 - "Save Profile Changes" (bottom)
-

Page 50: **My Downloads / Offline Content Manager**

Features Included:

- **Header:**
 - "My Downloads" title
 - Sort: By name, By date, By size
 - Storage info: "Using 2.5 GB of 5 GB allowed"
- **Downloaded Books List:**
 - Book cover + title + author
 - Download date
 - File size
 - Download progress (if in-progress): Progress bar + percentage
 - Status: Downloaded, Downloading, Queued, Failed
 - Buttons: Resume Download, Cancel, Delete
 - Long-press to select multiple for bulk delete
- **Storage Management:**
 - "Clear Space" button

- Shows suggested books to delete (oldest first, least listened to)
 - Recommend clearing to free up space if > 80% full
 - **Download Settings:**
 - Auto-download settings link (to App Settings)
 - "Download over cellular" toggle (default off, recommends WiFi only)
 - "Download next book in series automatically" toggle
 - **Empty State (If no downloads):**
 - Illustration
 - "No downloaded books"
 - "Download books for offline listening" button
-

Page 51: Saved / Bookmarked Books & Passages

Features Included:

- **Tabs (Horizontal Scroll):**
 - "Bookmarks" (default)
 - "Highlights"
 - "Clips"
 - "Notes"
- **Bookmarks Tab:**
 - List of all bookmarks across all books
 - Each bookmark card shows:
 - Book cover thumbnail
 - Bookmark title (if named)
 - Timestamp + duration
 - Text preview
 - "Listen to Clip" button
 - "Jump to Book" button
 - "Delete" option (long-press)
- **Highlights Tab:**
 - All color-coded highlights
 - Book title + chapter
 - Highlighted text
 - Color indicator
 - "Jump to" button
- **Clips Tab:**

- All saved custom clips
 - Book + duration
 - Buttons: Play, Edit, Share, Delete
- **Notes Tab:**
 - All saved notes
 - Book title + timestamp
 - Note text
 - Buttons: Edit, Delete, Share
 - Search notes field
-

Page 52: Notification Center / Notification History

Features Included:

- **Header:**
 - "Notifications" title
 - "Mark all as read" button
 - **Notification List (Newest First):**
 - Notifications grouped by category:
 - New Releases (from authors you follow)
 - Book Club Activity
 - Recommendations
 - Social Activity (friends finished books, liked reviews)
 - System notifications
 - Promotional/Marketing
 - Each notification shows:
 - Icon/category
 - Title
 - Timestamp ("2 hours ago")
 - "Unread" indicator (blue dot if unread)
 - Tap to action (navigates to relevant page)
 - Swipe to delete
 - **Empty State:**
 - "No notifications" (if none)
 - "You're all caught up!"
-

ADDITIONAL MODALS & OVERLAYS (12 Modals Total)

Modal 1: **Genre/Category Selection Modal**

- Appears when user needs to select genres
- Checkbox list of all genres
- Search field to filter
- "Apply" button

Modal 2: **Share Book Modal**

- Share via: Email, SMS, Social Media, Copy Link
- Pre-filled message: "Check out [Book Name] on [App Name]"
- Custom message input optional

Modal 3: **Rate & Review Modal**

- Star rating selector
- Title input
- Review text input
- Spoiler warning toggle
- Post button

Modal 4: **More Options / Context Menu Modal**

- Tap  icon on any book card
- Options: Add to Shelf, Remove from Library, Mark as Finished, Share, Report Issue

Modal 5: **Add to Shelf / Favorites Modal**

- List of existing shelves
- Checkboxes to add book to multiple shelves
- "Create New Shelf" button
- Save button

Modal 6: **Playback Settings / EQ Presets Modal**

- Speed selector
- Volume slider
- EQ preset buttons
- Sleep timer selector

- Save defaults button

Modal 7: Narrator/Voice Selection Modal

- Shows available narrators for book (if multiple)
- Human narrators list with samples
- AI narrator option (if available)
- Select button for each

Modal 8: Content Rating / Age Filter Modal

- Age range selector
- Content type options
- Preview of what's included
- Apply button

Modal 9: Error / Network Issue Modal

- Connection lost notification
- Retry button
- Continue offline option (if available)
- Contact support link

Modal 10: Feature Unlock / Paywall Modal

- Feature name that's premium-only
- Current plan limitation
- Upgrade options (short)
- "Upgrade Now" CTA

Modal 11: Confirmation Modal (Generic)

- Used for: Delete confirmation, logout confirmation, subscription cancellation
- Headline
- Description
- Cancel button
- Confirm button (usually red for destructive actions)

Modal 12: Search Filters / Advanced Search Modal

- All filter options
- Multi-select checkboxes
- Sliders for price/duration
- Date range picker
- "Clear Filters" button

- "Apply Filters" button

SUMMARY TABLE: Pages by Section

Section	# of Pages	Page Numbers	Key Features
Authentication & Onboarding	4	1-4	Login, signup, preferences
Home & Discovery	6	5-9	Home, browse, mood search, samples, countdowns
Player & Playback	5	10-13	Full player, mini player, car mode, bookmarks
Library & Management	8	14-21	Library, filters, shelves, wishlist, stats, series

Kids & Family	4	44-47	Family sharing, kids mode, kids library, activity
User Profile & Account	5	48-52	Profile, edit, downloads, bookmarks, notifications
Modals/Overlays	12	Modals 1-12	Genre select, share, rate, context menu, settings
TOTAL	58 + 12 = 70	—	Complete App UI

FEATURE-TO-PAGE MAPPING (How Features Appear in Screens)

Playback & Audio Control

- Smart Resume → Player (Page 10)
- Silence Trimmer → Player (Page 10)
- Variable Speed → Player (Page 10) + Playback Settings Modal
- Volume Boost → Player (Page 10)
- Vocal EQ → Player (Page 10)
- Sleep Timer → Player (Page 10)
- Shake-to-Reset Timer → Player (Page 10)

- Car Mode → Page 12
- Smart Rewind → Player (Page 10)
- Cross-Device Sync → Player backend + Notifications
- Repeat Button → Player (Page 10)
- Offline Listening → Download Manager (Page 50)
- Streaming Quality → Player (Page 10) + App Settings (Page 42)
- Audio Normalization → App Settings (Page 42)
- Pitch Correction → Player (Page 10)

Bookmarks, Notes & Highlights

- All bookmark features → Bookmarks Modal (Page 13), Saved Bookmarks (Page 51)

Library & Organization

- Cloud Library → My Library (Page 14)
- Local File Import → Library + Settings
- Smart Tags/Shelves → My Library (Page 14) + Create Shelves Modal
- Family Sharing → Family Sharing (Page 44)
- Multi-Library Search → Search (Page 20)
- Series Grouping → Series Detail (Page 19)
- Reading Log → Stats (Page 18)
- Wishlist → Wishlist (Page 17)
- Download Manager → Page 50

Discovery & AI

- AI Recommendations → Home (Page 5), Discover (Page 6)
- Emotional Search → Mood-Based Search (Page 7)
- Samples → Samples Feed (Page 8)
- Countdown Pages → Upcoming (Page 9)
- Similar Titles → Discovery, Recommendations
- Author/Series Follow → Author Profile (Page 23)

Social & Community

- Sharing → Share Modal + Social Hub (Page 24)
- Book Clubs → Book Clubs (Page 25)
- Live Discussions → Page 26
- Reviews & Ratings → Review Modal + Social Hub
- Leaderboards → Reading Challenge (Page 28)

Monetization

- All subscription/pricing features → Subscription Pages (31-37)
- Referral Program → Page 37

Accessibility

- All accessibility features → Accessibility Settings (Page 38)

Kids/Family

- All kids features → Kids Mode (Page 45), Kids Library (Page 46), Child Profile (Page 47)

TECHNICAL NOTES FOR DEVELOPMENT

Bottom Navigation (Fixed on all content pages)

[Home] [Search] [Library] [Social] [Account]

- Always visible (iOS) or visible as hamburger (Android)
- Tap to navigate between main sections

Standard Header Pattern (Most pages)

- Back button (if not root screen)
- Page title centered
- Right-side actions (filter, sort, settings, share, etc.)

Search Integration

- Search bar accessible from:
 - Home page (Page 5)
 - Bottom nav (Page 20)
 - Global search shortcut (Cmd+K or 3-tap)

Player Minimization

- Player (Page 10) can be minimized to mini-player
- Mini-player always visible when book is playing
- Swipe up to expand full player from any screen

Monetization Integration Points

- Subscription prompts on: Home (Page 5), Premium features unlock
 - Payment setup: Pages 31-37
 - Free/premium indicators throughout app
-
